

DANETREE RAISES IT'S UGLY HEAD AGAIN
SHOULD THIS DEVELOPMENT GET THE GO AHEAD
THEN IT IS CERTAINLY 'GOODBYE' TO
NORTON PARISH AS YOU KNOW IT

You may have seen in the Daventry Express or the Northampton Chronicle & Echo (Thurs. 26th April) the news about the proposed Danetree '*extension to Daventry*' which will wrap round Borough Hill and subsequently take over a great swathe of our Parish on the south/west side of Norton. The view from the Millennium Seat will be that of houses, more houses, yet more houses and not the wonderful field views we have at present.

The proposed outline plans will be available for you to look at in the Village Hall, Norton on Tuesday 8th May 2007 from 5.00 pm through to 8.30 pm.

Once again we would urge you to come along to look at these plans. We need your feedback in order to assist in making a detailed response. If you care, and we think you do, about this village and its possible '*loss of identity*' to Daventry then please come along to the Village Hall to look at the latest plans to destroy the Parish as we know it.
